NCASD CYBER ACADEMY

NCASD Cyber Academy Highlights

- Our program offers a comprehensive curriculum for grades K-12.

- All instructors are non-NCASD teachers who are PA certified teachers and Highly Qualified.

- Program orientation is held at the building level.

- The Building Level Principal and Guidance Counselors will be able to monitor academic progress and lend assistance when needed.

- Your child will be able to attend all extra curricular activities such as clubs, athletics, and dances and field trips

- Every student will receive a Chromebook, and local technology support will be provided by district IT staff.

- Enrollment process is handled at the building level, and counselors will help place students in appropriate-leveled courses to ensure that they get full credit for all courses completed.

- Your child will earn a New Castle Area School District Diploma.
